2016

- Map case, small silva compass and marked up route in green map on cut up OS maps.
- Black 'Kalenji' cap – still damp!
- Dark green 'EWM pure classics' long sleeve top – damp and smelly - past its best
- Black Mountain equipment regular leg overtrousers in mesh stuff bag – appear to be clean - How and why?
- Brown large rim sunglasses – definitely unused. Owner likely to be eternal optimistor limited access to weather forecast.
- Petzl headtorch strap only.
- 'DMR Bikes' woollen hat – damp
- Black 'Nike' gloves – dry
- Black woollen gloves – as used by 'Steptoe'
- Black 'Bad Toro' mug – seen better days but may be of sentimental value
- Smart Cafe Cafetiere mug – no lid
- Navy blue 'Trespass Poly Mug' –small – probably not worth bothering about.
- 'Camelbak Podium' clear water bottle – could be worth bothering about after looking up price on line
- 'Ulimite Direction' clear water bottle – as above but for the more discerning runner
