

BULLOCK SMITHY – LOST PROPERTY

2016

1. Map case, small silva compass and marked up route in green map on cut up OS maps.
2. Black 'Kalenji' cap – still damp!
3. Dark green 'EWM pure classics' long sleeve top – damp and smelly - past its best
4. Black Mountain equipment regular leg overtrousers in mesh stuff bag – appear to be clean - How and why?
5. Brown large rim sunglasses – definitely unused. Owner likely to be eternal optimist or limited access to weather forecast.
6. Petzl headtorch strap only.
7. 'DMR Bikes' woollen hat – damp
8. Black 'Nike' gloves – dry
9. Black woollen gloves – as used by 'Steptoe'
10. Black 'Bad Toro' mug – seen better days but may be of sentimental value
11. Smart Cafe Cafetiere mug – no lid
12. Navy blue 'Trespass Poly Mug' –small – probably not worth bothering about.
13. 'Camelbak Podium' clear water bottle – could be worth bothering about after looking up price on line
14. 'Ulimite Direction' clear water bottle – as above but for the more discerning runner
